NATIONAL SECURITY ACTION MEMORANDUM NO. 234

MEMORANDUM FOR:

The Secretary of State  
The Secretary of Defense  
The Secretary of the Treasury  
The Secretary of Commerce  
The Secretary of the Interior  
The Attorney General  
The Director of Central Intelligence  
The Chairman, Atomic Energy Commission  
Special Representative for Trade Negotiations

The advent of a new government in Canada has naturally stirred nearly all branches of the government to new hope that progress can be made in effective negotiations with this most important neighbor on all sorts of problems. It is the President's wish that these negotiations should be most carefully coordinated under his personal direction through the Department of State. It is therefore requested that any department or agency which intends to pursue important discussions or negotiations with the new Canadian Government should discuss its plans with the Office of European Affairs of the Department of State so that, in the event that further coordination is needed, it may be appropriately arranged.
